

EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech	Hi-Tech Institute of Engineering and Technology	7.6	2021-2025
Senior Secondary	CBSE Board	78.2%	2021
Secondary	CBSE Board	71%	2019

EXPERIENCE

- CodeAlpha

Frontend Developer Intern

– Developed and optimized responsive web applications using HTML, CSS, and JavaScript to enhance user experience.

– Built and deployed four key projects: Image Gallery, Personal Portfolio, Music Player and GUI Calculator, incorporating dynamic features to improve interactivity.

– Acquired practical experience in identifying and fixing UI/UX issues. [Certificate](#)

Aug.2024 - Sept.2024

Ghaziabad, India

PROJECTS

- Portfolio Website

Ghaziabad

– Designed and developed a comprehensive portfolio website that highlights my skills and completed projects. The site includes detailed sections on my work, an interactive contact form for inquiries, and complete information about my background and expertise.

– Technologies used: HTML, CSS, JavaScript, React.

May 2023 - June 2023
- Image Gallery

Ghaziabad

– Developed an interactive image gallery website featuring categorized images with a click-to-enlarge functionality, allowing users to view images in a larger format on a full-screen modal for an enhanced viewing experience.

July 2023 - Aug 2023
- Rural Horizon – Career Guidance Website

Ghaziabad

– Developed a career guidance platform to assist rural high school students in choosing career paths based on their interests and educational streams (Science, Commerce, Arts). The website provides personalized career suggestions, job roles, government benefits, and exam details. Built using ReactJS for a seamless user experience with a responsive and intuitive UI.

Sept 2024 - Dec 2024

SKILLS

- Frontend Technologies: HTML5, CSS3, JavaScript, ReactJS, Redux, Bootstrap

• Backend & Databases: JAVA, Oracle SQL

• Version Control & Deployment: Git, GitHub, Netlify

• Tools & IDEs: VS Code, Chrome DevTools

• Development Practices: Responsive Web Design, UI/UX Debugging, Agile & Waterfall Methodologies

CERTIFICATIONS

- Web Development Certification: C-sharp Corner Web Development Test. [Certificate](#)

• Certificate of Participation: Flipkart GRiD 6.0 - Software Development Track. [Certificate](#)

• Python-Beginner Level Certification: [Certificate](#)

ACHIEVEMENTS

- Accenture UK Developer and Technology Virtual Experience Programme on Forage

– Completed the Developer and Technology Job Simulation where I developed an end to end understanding of the Software Development Lifecycle.

– Conducted in-depth research into emerging technology trends, particularly in the field of DevOps, demonstrating a proactive approach to staying informed about the rapidly evolving tech landscape.

– Created and delivered a compelling PowerPoint presentation analysing and comparing Waterfall and Agile methodologies.

– Designed a custom algorithm using pseudocode and effectively communicated its logic by creating a detailed flow diagram.

– Debugged a program written in Python by fixing syntax and logic errors in the code. [Certificate](#)
